D & D Systems Ltd. Is Please to announce that we have replaced our Thunder Rehab Seating with our Platinum Seating System.

The Platinum Seating System has many improvements to better fulfill your needs

Some of which include:

- **It is and excellent option to order the Power base you wish and use our Platinum System for the rest of our needs.**
- **We build this to reduce the excess play in all of power seating and seat frame components.**
- **We also offer a new Pricing Structure.**

Please have a look at are new Platinum Seating System.

Please Contact us for any information you would like or any question you have.
